

Zetron Golf Tournament Brings Total Raised for Behind the Badge to \$95K

Zetron's fifth annual "Shoot for the Stars" benefit golf tournament raised \$30,000 for Behind the Badge, a foundation that honors and assists injured and fallen Washington state law-enforcement officers and their families. This brings the total Zetron has raised for Behind the Badge over the past five years to \$95,000.

Redmond, WA, U.S.A., September 16, 2015 – [Zetron](#), a leading mission-critical communications systems provider based in Redmond, WA, raised \$30,000 at its fifth annual "Shoot for the Stars" golf tournament to benefit [Behind the Badge Foundation](#) September 2, 2015, at The Golf Club in Newcastle, WA. *Behind the Badge* is an organization that honors and assists Washington State's injured and fallen law-enforcement officers and their families. This brings to \$95,000 the total that the annual event has raised for *Behind the Badge* over the last five years. The funds raised are a combination of event fees, sponsorships, and donations from the immediate and extended community; contributions from Zetron employees; and matching funds from Zetron and Zetron president and CEO, Ellen O'Hara.

Highlights of this year's tournament included the participation of over 100 first responders and law-enforcement personnel, and celebrity sports figures Slick Watts, Jim Zorn, Nesby Glasgow, Randall Morris, and Alonzo Mitz. Q13 FOX news anchor and host of *Washington's Most Wanted*, David Rose, again served as master of ceremonies as he has done every year since the tournament's inception. Elite sponsors of this year's event included Alaska Airlines, Avanti Markets, Completely Floored, Direct Travel, Directors Mortgage, GeoConex, Kenwood U.S.A., Lockheed Martin, Symmetry Electronics, Tait Communications, and TeleCommunication Systems.

"This tournament keeps gaining momentum and becoming more successful each year," said Zetron president and CEO, Ellen O'Hara. "It's very gratifying to see the ways in which Zetron and our partners, friends, and community come together to give back to law-enforcement in such a meaningful way. I want to sincerely thank all of those who do so much to plan, sponsor, and participate in this event."

About Zetron

Founded in 1980, Zetron manufactures and provides communications systems designed to equip the entire mission-critical control room. Zetron's integrated solutions combine IP-based dispatch, NG9-1-1 call-taking, voice logging, IP fire station alerting, CAD, mapping, video surveillance and security solutions, and automatic vehicle location (AVL) systems. They are expandable, interoperable, and able to support remote and geo-diverse operations. Zetron backs its products with technical support and project-management services known for their expertise and responsiveness. Zetron has offices in the United States, the United Kingdom, Australia, and numerous field locations; and a worldwide network of resellers, system integrators and distributors. Zetron has installed thousands of systems and over 25,000 console positions worldwide. Zetron is a wholly owned subsidiary of JVCKenwood Corporation. For more information visit: www.zetron.com
